2013 CITY OF SAN JOSE – CAMP NEGOTIATIONS TENTATIVE AGREEMENT

X.3 Payment In-Lieu of Health and Dental Insurance

X.3.1 The purpose of the payment-in-lieu of health and/or dental insurance program is to allow employees who have double health and/or dental insurance coverage to drop the City's insurance and receive a payment-in-lieu.

X.3.2 Employees who qualify for and participate in the payment in-lieu of health and/or dental insurance program will receive the following per pay period:

	Health in-lieu	Dental in-lieu
If eligible for family coverage	\$221.84	\$19.95
If NOT eligible for family coverage	\$89.09	\$19.95

A City employee who receives healthcare coverage as a dependent of another City employee or retiree shall be deemed not eligible for family coverage.

X.3.3 The payment-in-lieu of health and/or dental insurance program is available to full-time employees who are not on a reduced workweek of less than thirty-five (35) regular work hours per week or unpaid leave and have alternate group health and/or dental coverage. To qualify, an employee must provide proof of alternate group coverage to Human Resources. Alternate coverage must be acceptable by the City.

X.3.4 Enrollment in the payment-in-lieu of health and/or dental insurance program can only be done during the first thirty (30) days of employment, during the annual open enrollment period, or within thirty (30) days of a qualifying event (defined in the Human Resources Benefits Handbook as a change in marital, dependent or work status of the employee or the employee's spouse) occurring anytime during the year. Enrollment or cancellation during the open enrollment period will become effective the first pay period of the following calendar year.

An employee's ineligible status would include but not be limited to the following situations, employment status changes from full to part time, employee is on an unpaid leave of absence, employee is on a reduced work week, or employee loses or does not have alternate insurance coverage. X.3.6 If an employee loses alternate coverage, the employee may enroll in a City health and/or dental plan outside of the open enrollment period. To be eligible the employee must provide verification that alternate coverage has been lost.

X.3.6.1 Health Insurance To enroll in a City health insurance plan following loss of alternate coverage, the employee must pay all unpaid premiums (City and employee contributions) and refund any excess in-lieu payments required to make the coverage effective on the date when alternate coverage ceased. An agency fee objection must be filed with the Union within 30 days following distribution of the annual written notice.

(X).6.5 Employees Exempted from Obligations to Pay Union

60% of final hourly rate
75% of final hourly rate

Effective June 22, 2013, for purposes of sick leave payout, an employee's sick leave balance and hourly rate shall be frozen. This means that an employee will receive no more in sick leave payout after having met the requirements contained herein than they would have been entitled to on June 22, 2013. Any sick leave usage after June 22, 2013, will come first from the sick leave balance accrued after June 22, 2013. An employee will continue to accrue sick leave after June 22, 2013, but it may not be used for sick leave payout purposes.

For example, if an employee's hourly rate is \$40 and their sick leave balance is 1000 hours on June 22, 2013, if they meet eligibility requirements, they shall receive a payout of their sick leave balance at the time of retirement using the formula above, but no more than 1000 hours and at an hourly rate of no more than \$40. This will occur even if the employee has subsequently earned more than 1000 hours in sick leave or received a pay increase so that their hourly rate is higher than \$40. In this example, if the employee does not have available sick leave to use that was accrued after June 22, 2013, and uses sick leave and reduces their sick leave balance on June 22, 2013, to 800 hours, they will only be entitled to a sick leave payout of 800 hours, regardless of any sick leave accrued after June 22, 2013. This means that sick leave payout hours are reduced by usage, they are not able to be reestablished in the sick leave balance subject to payout.

If an employee's sick leave balance as of June 22, 2013, is greater than 1,200 hours the employee may also be eligible for a payout of 75% of the value of sick leave in excess of 1,200 hours earned prior to June 23, 2013, but unused during the two (2) years prior to retirement. In order to receive a payout of hours greater than 1,200, the sick leave hours must be earned prior to June 23, 2013, and unused in the prior two (2) years to retirement. All sick leave hours will be paid out at the employee's hourly rate as of June 22, 2013. No employee will be eligible for a sick leave payout over 1,200 hours after June 22, 2015.

**2013 CITY OF SAN JOSE – CAMP NEGOTIATIONS
TENTATIVE AGREEMENT**

For example, if an eligible employee retires on June 22, 2014 (one year after the sick leave payout was frozen), they would receive a payout of 75% of the sick leave earned but unused from June 22, 2012, to June 22, 2013. The employee would only receive one year of payment because during the second year period prior to retirement (June 23, 2013 – June 22, 2014) the employee would not have earned any sick leave eligible for payout.

Any employee hired on or after September 30, 2012, shall not be eligible for any sick leave payout.

TENTATIVE AGREEMENT – EXECUTIVE LEAVE

Executive leave is a benefit provided in recognition of the hours in excess of forty (40) hours per week, which may be necessary but are not directly compensated on an hourly basis. Executive leave is awarded as hours/days off, up to a maximum of forty (40) hours/five (5) days during a payroll calendar year. Executive Leave is not an accrued benefit and unused leave does not carry over from year to year.

The Management Performance Program (MPP) provides that the Department Director or designee may approve up to forty (40) additional hours of executive leave for employees who receive a performance appraisal of commendable or outstanding.

When an employee is hired into a position eligible for executive leave, the leave may be prorated during the first year dependant upon the hire date. Please refer to CPM Section 4.2.4 for the complete policy.

TENTATIVE AGREEMENT – LAYOFF

ARTICLE (X) LAYOFF

(X). 1 Order of Layoff When one (1) or more employees in the same class in a City department are to be laid off for lack of work, purposes of economy, curtailment of positions or other reasons, the order of layoff shall be as follows:

(X)1.1 Probationary employees in the order to be determined by the appointing authority.

(X)1.2 Permanent employees in inverse order of seniority within the classification being reduced, or in a higher class.

(X)1.3 Permanent employees shall be given every opportunity for transfer to other departments when layoff is pending.

(X).2 Notice of Layoff

(X).2.1 Employees subject to the provisions of this Article shall, wherever possible, be given at least thirty (30) calendar days notice in writing prior to the effective date of layoff. The appropriate Unions shall receive concurrent notice, and upon written request within seven (7) calendar days after the notice is given shall be afforded an opportunity to meet with the appropriate City representatives to discuss the circumstances necessitating the layoff and any proposed alternatives to such layoff.

(X).2.2 Upon specific request by the Union, the City shall provide any available public, written documents relating to staffing levels in a given department or section of a department. If workload documentation is available, the City will provide it to the Union, upon written request.

(X).3 Reassignment in Lieu of Layoff In the event of layoff, any employee so affected may elect to:

(X).3.1 Accept a position in a lateral or lower class in which he/she has previously served, or a position in a lateral or lower class within the series containing the class from which the employee is being laid off, provided he/she is otherwise qualified and is more senior than the least senior employee in such lateral or lower class.

(X).3.2 Accept a vacant position in a lateral or lower class for which he/she has the necessary education, experience, and training as determined by the Director of Human Resources or his/her designee. An employee may also accept a vacant position in a higher class, provided he/she has held permanent status in such higher class, and further provided that the

**2013 CITY OF SAN JOSE – CAMP NEGOTIATIONS
TENTATIVE AGREEMENT**

employee's removal from the higher class was voluntary and occurred during his/her most recent period of employment. Adverse decisions of the Director of Human Resources regarding necessary education, experience, and training shall be subject to the Administrative Grievance Procedure (City Policy Manual Section 2.1.2). The employee may file the Administrative Grievance at Step III within ten (10) working days of the date of being notified of the adverse decision.

- (X).3.3 Any employee entitled to an option noted above, which involves assignment to a lower classification, may elect to be placed on layoff in lieu of accepting such assignment to the lower class. In the event the employee elects to be placed on layoff, such employee will only be recalled to the classification from which the employee elected to be placed on layoff or to any higher classification to which the employee may be entitled pursuant to the provisions of this Article.
- (X).4 As used in this Article, the following words and phrases shall be defined as follows:
- (X).4.1 Except as otherwise provided above, seniority shall be defined as the length of continuous paid employment within any permanent class or classes within the classified service of the City. Seniority shall be retained, but shall not accrue, during any period of leave without pay, except for authorized military leave.
- (X).4.2 A lower class shall mean a class with a lower salary range.
- (X).4.3 A position in a lateral class shall mean a position in a class with the same salary range.
- (X).4.4 A position in a higher class shall mean a position in a class with a higher salary range.
- (X).5 Except as otherwise provided herein, no employee shall be entitled to a position in a higher class as a result of the application of the provisions of this Article.
- (X).6 Layoff Reinstatement Eligible List
- (X).6.1 The names of such persons who are laid off or who elect reassignment in lieu of layoff in accordance with the provisions of Section (X).3, Reassignment in Lieu of Layoff, of this Article shall be placed upon a Reinstatement Eligible List in inverse order of seniority, i.e., the person with the greatest seniority on the Reinstatement Eligible List for the classes affected shall be offered reinstatement when a vacancy exists in the affected class. In the event a person refuses the offer of reinstatement, such person's name shall be removed from the

**2013 CITY OF SAN JOSE – CAMP NEGOTIATIONS
TENTATIVE AGREEMENT**

Reinstatement Eligible List, unless such person has reinstatement rights under the provisions of this Article to a higher class than the one in which the reinstatement is being refused.

- (X).6.2 In the event an employee accepts reinstatement to a lower class to which he/she is entitled, such person's name shall remain on the Reinstatement Eligible List for reinstatement to a lateral class, provided such person, except for lack of seniority, would have been otherwise entitled to such lateral class at the time of the most recent layoff.
- (X).6.3 Any person who is reinstated to a class which is the highest class to which he/she would have been entitled at the time of the layoff shall have his/her name removed from the Reinstatement Eligible List.
- (X).6.4 In the event a person on layoff cannot be contacted by the City through usual and customary channels, including, but not limited to emails, phone calls or regular mail within ten (10) working days, such person's name shall be removed from the Reinstatement Eligible List, providing, however, that such person within the three (3) year period specified herein may request that his/her name be replaced on the Reinstatement Eligible List and such person's name may, in the sole discretion of the Director of Human Resources or his/her designee, be returned to the Reinstatement Eligible List. It shall be the responsibility of each person placed on the Reinstatement Eligible List to notify the Department of Human Resources of changes in contact information including, but not limited to email address, phone number or mailing address.
- (X).6.5 In no event shall the names of any person laid off pursuant to the provisions of this Article remain on a Reinstatement Eligible List for a period longer than three (3) years from the effective date of such person's most recent layoff. If there are employees on a Reinstatement Eligible List, the City will review such list prior to contracting-out work, or hiring outside work, to determine if the work could be performed by someone on the Reinstatement Eligible List.
- (X).6.6 Upon reinstatement to any classification to which the employee is entitled pursuant to the provisions of this Article, all benefits acquired by the employee prior to his/her layoff shall also be reinstated. An employee shall not receive credit for time spent on layoff in computing time for any benefit entitlement.

TENTATIVE AGREEMENT – WORKING IN A HIGHER CLASSIFICATION

(X) WORKING IN A HIGHER CLASSIFICATION

- (X).1 Upon specific written assignment by the Department Director, or his/her designated representative, with prior written approval, a full-time employee may be required to perform the duties of a full-time position in a higher classification. Such assignments shall be made to existing authorized positions that are not actively occupied due to the temporary absence of the regularly appointed employee.
- (X).2 As an alternative to making appointments to vacant positions, a Department may, upon the approval of the Office of the City Manager, assign an employee to work in a higher classification for a period of time not to exceed twelve (12) months. At the expiration of the period of assignment (not to exceed twelve months), the assigned employee shall return to his/her regular assignment. The Department may then request authorization to fill the position on a regular basis or return it to vacant status.
- (X).3 Employees specifically assigned in writing to duties of a higher classification as specified above shall be compensated at the rate in the salary range of the higher class, which is at least five percent (5%) higher than the rate received by the employee in the employee's present class. Notwithstanding any other provision of this section, in no event shall an employee receive any amount in excess of the top of the salary range of the higher classification. The employee shall not receive the rate of compensation, however, unless the assignment is for a minimum of one (1) month.

TENTATIVE AGREEMENT – PERSONAL PROTECTIVE EQUIPMENT

ARTICLE (X) PERSONAL PROTECTIVE EQUIPMENT

- (X).1 The City agrees to reimburse eligible employees for the purchase of protective footwear for up to \$150 for full-time employees when it is determined by the Director of Human Resources or designee that protective footwear is required for the full-time employee. Protective footwear shall meet established Occupational Safety and Health Administration's (OSHA) standards, current American National Standard for Personal Protection-Protective Footwear standards and requirements as determined by the City Safety Officer or designee. The City will replace protective footwear as needed, but no more than once per calendar year. An individual may select an approved style that is more expensive than the City maximum by paying the difference.
- (X).2 The requirements for safe working conditions are established and maintained under the California Occupational Safety and Health Act of 1973. Enforcement and rule-making authority is lodged with the Department of Industrial Safety. The Department of Industrial Safety has jurisdiction for inspection and enforcement of standards; therefore, any disputes arising relating to employee safety will be exempted from the Administrative Grievance procedure.

The appointing authority, or his/her designated representative, may grant an employee a leave of absence without pay for good and sufficient reason, not to exceed twelve (12) months. Such leaves may, however, be extended, not to exceed an additional six (6) months, upon written request of the employee, subject to approval of the appointing authority, or his/her designated representative. Failure of the employee to return to work on the first scheduled work day after the effective date of the cancellation, or on the first scheduled work day following the expiration of a leave, shall be considered a voluntary resignation, unless the failure to return is due to extenuating circumstances beyond the control of the employee. - (X).4 If the position to which an employee would otherwise be entitled pursuant to the above has been deleted from the department's budget during the term of the employee's leave of absence, the employee shall, upon return from leave, be entitled to a position within the classification held by the employee at the time the leave commenced, provided there is either a vacancy in such classification or an employee in the classification with less seniority whose duties the returning employee is qualified to perform.
- (X).5 The employee is responsible for coordinating the return to work following a leave of absence. Prior to returning from a leave of absence, the employee shall contact the supervisor to ensure that all necessary documents have been completed and steps taken.
- (X).6 For the purposes of this Article, seniority shall be defined in accordance with Section (X) of Article (X), entitled Layoff.

RETIREE HEALTHCARE STAKEHOLDER SOLUTIONS WORKING GROUP AND NEGOTIATIONS

PURPOSE

The parties recognize the importance of funding the current retiree healthcare benefit, and since 2009, have been increasing contributions into the plan in order to begin paying the full Annual Required Contribution to ensure funding of the retiree healthcare benefit.

Neither the City nor the bargaining units have committed to close the plan. However, new employees will not enter the existing retiree healthcare plan. Since current employees share in paying the unfunded liabilities of the current retiree healthcare benefit, new employees who are not in the current plan would not be making those payments. The City has agreed to make the contributions towards the unfunded liabilities that those new employees would have paid had they been in the current plan. The City has agreed to do so in order to allow time for long-term solutions to be developed by a Retiree Healthcare Solutions Working Group ("Working Group") and negotiations.

The goal of the Working Group shall be to develop options that lead to long-term solutions to the retiree healthcare issue.

The City and the Coalition¹ have agreed to immediately continue working on solutions to retiree healthcare both through the Working Group and subsequent negotiations. The parties are committed to working collaboratively towards long-term solutions and have agreed to remain open to considering various options. The options considered will include, but are not limited to, the following:

- Using high-deductible healthcare plans in combination with individual health savings accounts;
- Limitations on the current retiree healthcare benefit in combination with individual health savings accounts;
- Tiered healthcare benefit structures based on length of employment;
- Modification of eligibility requirements;
- Health plan design and rate structure changes;
- Incentives for employees to work beyond normal retirement eligibility; and
- The inclusion or exclusion of new employees in any modifications, or the formation of a completely different plan for new employees.

¹ The San Jose Federated Labor Coalition consists of the following nine (9) bargaining units: Association of Building, Mechanical, and Electrical Inspectors (ABMEI), Association of Engineers and Architects (AEA), Association of Legal Professionals (ALP), Association of Maintenance Supervisory Personnel (AMSP), City Association of Management Personnel (CAMP), Confidential Employees' Organization (CEO), International Brotherhood of Electrical Workers (IBEW), Municipal Employees' Federation (MEF) and International Union of Operating Engineers, Local #3 (OE#3).

RETIREE HEALTHCARE STAKEHOLDER SOLUTIONS WORKING GROUP

Facilitator:

By August 1, 2013, the City and the Coalition members will mutually agree on an independent person or entity that is knowledgeable in the area of retiree healthcare benefits to facilitate the Working Group.

The facilitator will facilitate the discussions, provide information to the parties, and generally assist in the development of options for long-term solutions. Upon the mutual agreement of the City and Coalition members, other subject matter experts may be engaged to assist in analyzing possible solutions.

The costs of the facilitator and any subject matter experts will be shared equally between the City and the Coalition members.

Participation:

In addition to the City and a representative from each bargaining unit in the Coalition, members of the Working Committee will include a representative of the retirees, and any unrepresented employee group(s).

Meetings:

The City and the Coalition will jointly schedule Working Group sessions in coordination with the facilitator. More frequent and longer Working Group sessions will be scheduled in the early stages of the process. The Working Group sessions will be open to employees and the public.

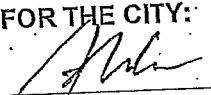

TIMELINE FOR RETIREE HEALTHCARE SOLUTIONS WORKING GROUP AND NEGOTIATIONS:

The Working Group shall agree upon a facilitator no later than August 1, 2013. The time period to schedule Working Group sessions will be from August 1, 2013, and conclude no later than December 31, 2013, unless the parties mutually agree to extend the timeframe. The City and the Coalition agree that this process will not supplant the meet and confer process regarding retiree healthcare.

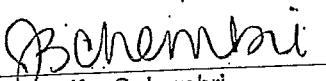

Negotiations between the City and the bargaining units shall commence within 14 days upon notice of either party, but no earlier than January 1, 2014. The City and the bargaining units shall negotiate in good faith in an effort to reach a mutual agreement. Applicable impasse dispute resolution procedures shall apply. The parties intend to meet and confer through coalition bargaining. However, all parties reserve their respective rights to withdraw from coalition bargaining. In such an event, the City and any bargaining unit that withdraws from the Coalition will bargain separately.

This Side Letter Agreement is considered part of the tentative agreement on retiree healthcare with the bargaining units and shall become effective only as part of the overall retiree healthcare agreement. Each bargaining unit conducts separate ratification processes, and this Side Letter Agreement shall be effective for those bargaining units who ratify the overall tentative agreement on retiree healthcare and only during the term of those agreements with each respective bargaining unit.
